

Sprint 1:

- More learning how to use AndroidStudio and less working on project
- Got most of login and profile
- Only finished about half of the stories we chose

Sprint 2:

- demoed stuff we didn't do last sprint
- App recommends best parking lot
- Displays amount of spots left
- Updates schedule
- Demoed all sprint 2 tasks

Sprint 3:

- Finished documentation
- Finished scrum sheet
- Demoed final sprint tasks
- Put documents on git hub
